Sara Clark, Secretary
Department of Telecommunications and Cable
Commonwealth of Massachusetts
1000 Washington Street, Suite 820
Boston, MA 02118

Dear Secretary Clark,

We are filing herewith as of May 29, 2015 for effect July 1, 2015, tariff material consisting of the following:

(DTE-MA-No. 15)

Section	Revision of Page(s)	Original of Page(s)
30	11	N/A

The attached tariff page reflects the directives of the FCC's Order WC Docket No. 10-90 and CC Docket No. 01-92 ("Order"). The Composite Terminating End Office Charge (CTEOC) rate element was implemented in all interstate and intrastate access tariffs effective July 1, 2014. In this fourth phase the CTEOC rate element will be lowered effective July 1, 2015.

In compliance with the Department's May 1, 2015 Notice regarding 2015 Intrastate Compensation Rate Reduction Tariff Filings, the following supporting materials are attached: a copy of the current interstate tariff page (FCC No. 11, Section 31, page 52) and a page showing the calculation of the new composite rate and a written explanation of the calculation. The proposed interstate tariff page will be provided to the Department after it is filed with the FCC.

Sincerely,

A handwritten signature in blue ink, consisting of a stylized 'R' followed by a horizontal line.
